## Coon Hunt Score Card

**Effective Date:** December 13, 2025

Coon Hunt Score Card is built with privacy in mind. This app is proudly developed by the makers of **Coon Hunter Diaries**, and we are committed to protecting your information and keeping your data secure.

## Information We Collect

Coon Hunt Score Card does not collect, track, or store any personal information. No account creation is required. No names, emails, phone numbers, or location data are collected. There is no analytics tracking and no third-party advertising or tracking SDKs.

All score card data entered into the app is stored locally on your device unless you choose to share it.

## How Your Data Is Used

Any information you enter, such as dog names, scores, or hunt details, is used only to display and manage score cards within the app. This data remains on your device, is never uploaded to servers, and is never shared or sold.

## Sharing Information

If you choose to export or share a score card as a PDF, image, text, email, message, or through social media, that action is entirely initiated by you. Coon Hunt Score Card does not monitor, store, or control shared content once it leaves your device.

## Third-Party Services

Coon Hunt Score Card does not integrate with third-party analytics, advertising networks, or data brokers. Any sharing functionality uses standard system tools provided by iOS.

## Children's Privacy

Coon Hunt Score Card does not knowingly collect personal data from children under the age of 13. Because no personal data is collected, the app is safe for users of all ages.

## Data Security

Because no personal data is collected or transmitted, your information remains private and secure on your device.

## Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. Any changes will be reflected within the app or app listing.
